Gather & Analyse (DIY)
We provide School Co-ordinator with A-Z steps on how to gather data and analyse the results.

Gather & Analyse
We provide online survey which is distributed to Board of Management and Teachers

Focus, Gather & Analyse
We facilitate Focus Groups with Students, Parents and Teachers on-site. Provide online survey based on findings.

Collate results
School Co-ordinator will collate and return results to CAS

Collate results
CAS collate results and seek clarification if required

Research & Generate UAP
Based on returned results and desk research the policy is compiled for review.

School Approves or requests amendments

AUP and Resources
When School approves Draft AUP we provide Final Draft Policy and the necessary resources to implement it.
